Roundshaw Playing Fields Directions

From Waddon train station

The most local/closest train station is Waddon, which is about 5 mins walk from the ground.

Head south from the station down the main road the A23, which is called the Purley Way. Carry on till you approach a major road junction with traffic lights. Turn right at lights onto the B271 towards Wallington, on to Stafford Road 500yds along the B271 heading towards Wallington you will see a sign on your left that reads, The Esporta Sports Club (a Tennis club)

The sign is at the entrance to a road called Hannibal Way, enter this road and walk to the end, where there is a metal barrier across the road and changing rooms to your left. Walk past the changing rooms onto the playing fields, our diamonds are straight ahead

Changing rooms and hot showers are available on game days, but it is suggested that you don't leave any valuables in the changing rooms whilst playing.

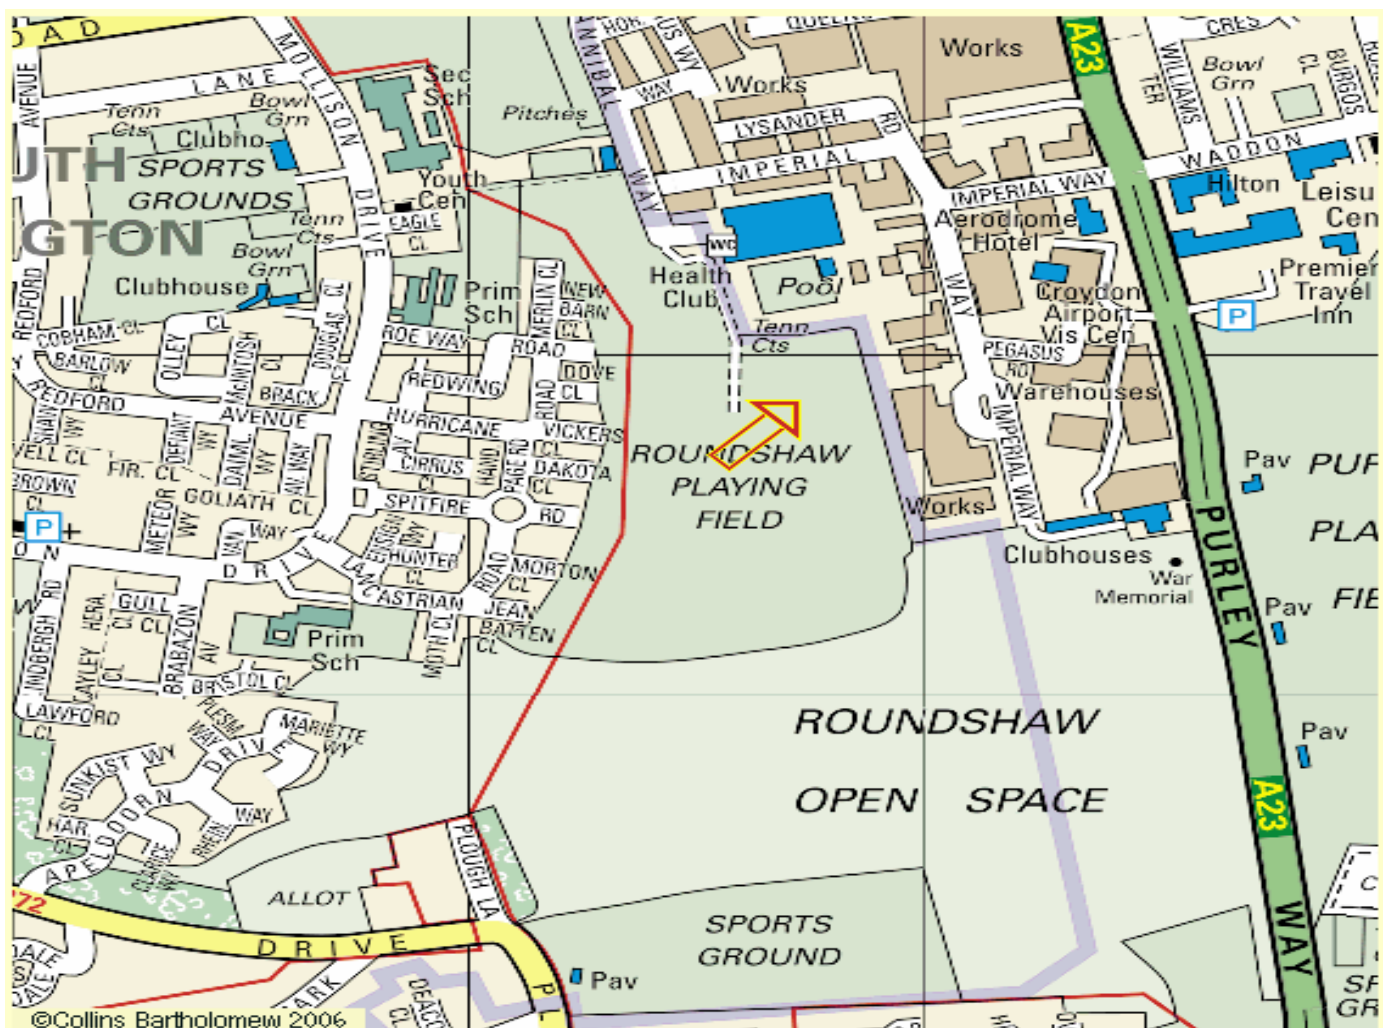

Other Train stations

Both East Croydon and West Croydon are further distances away, been about 2 miles to 2.5 miles respectively, you would need to get a bus from these.

Bus Services

The following buses can be used to get to our ground, 154,157,191, and 289.

The location to ask for is Hannibal way off Stafford Road, just past Five Ways on the Purley Way.
