Congratulations to the Enfield Spartans on clinching a place in the National Club Championships...Well done to Jason Lowd (17), Stuart Boast (16), and Eddie Curson (16), all of the, er, Innervisions Hemel Red Sox, for being selected to play for the Great Britain Junior Team against an American high school team at Luton on July 26th...Through July 12th, there were 16 one-run games in the league, 9 of them in Div.1. Leaders; Cobham (4; W1-L3), Golders Green (3; 1-2), Barnes (3; 2-1), and Reading (3; 3-0)...Thanks to Ben Godfrey and Jason Godfrey of Barnes for their fine cover illustrations - there are more artists on the Barnes club than there are in Montmartre...Alan Bloomfield (Sutton) leads the Scottish Amicable National League in runs scored, hits (tied with Dan Godfrey of Barnes), triples, stolen bases, average (.571), and total bases. Jim Dunn (Sutton) leads in homers with 3, and Dunn, Ben Godfrey and Lee Pierce (Cobham) lead in RBI's with 10 each (through July 11)...Don Ferguson has kindly agreed to assemble the next issue while I am on holiday...Experiments in underwater baseball were carried out at Crawley over the Tournament weekend - the Dutch team from Utrecht were seen attempting to build a dyke - Sutton eventually beat Croydon 2-1 in the final in a tight and exciting game played mostly in the dry in Somme-style mud...Phil Laing (Croydon Bluejays) has now been playing baseball for 25 years - nice going, Phil...If Tony Kuramitsu (Cobham, 14 years old) is still playing in 2002, he will still be younger than your ageing editor was when he made his debut in 1985...

INNERVISIONS HEMEL RED SOX 45 HEMEL REBELS 9 Jarman Fields, July 5.

Rebels pitchers Trevor Prosser and Lee Huffey had a tough day against the 35-hit Red Sox attack, and the Rebels slumped to 0-9 while the Sox remained unbeaten and on top of their division. Dewayne Allen led the Sox with 6 hits and 6 RBI's, and Kevin Slater drove in seven including a grand slam. Nine other Sox had at least two hits. The Sox used 6 pitchers in the game which was played in good spirits on a scorching hot day. Player/manager Prosser went 3 for 4 to lead the Rebels, and catcher John Malkin added a two-run triple to give the Rebels some hope for the future.

SOUTHAMPTON SHOOTERS 8 WALTHAM ABBEY ARROWS 14 Lower Field, July 5.

A Shooters/Arrows clash is not a place for the weak-hearted - games between these two teams are notoriously tight, intimidating and controversial, and this was no exception. Under a sizzling sun on a rock hard diamond tempers were easily frayed, but there was still plenty of good baseball on display. Dave Godfrey started for Southampton, and was relieved after 2 by Kevin Kelly, before returning to finish the game, and the pair struck out nine. The Arrows' tall southpaw Simon Bowden went 4 1/2 before the heat got to him, striking out 7 on the way. Jay Hindle took over and fanned 10, pitching the rest of the game. Brian Drummis grabbed 2 of the Shooters' hits and scored three times, but their best hit was a colossal belt to left by Terry O'Brien in the sixth which he tried to turn into an inside-the-park homer, but was thrown out at home by a great relay by ss Phil Jones. Jerry Bowden scored 5 times in 5 trips to the plate, Paul Raybould had a triple, Dave Shaer collected four hits and Phil Chesterton and Hindle had 3 each. After making four errors in the first, the Arrows tightened up defensively which gave them the edge.

CROYDON BLUEJAYS 11 GOLDERS GREEN SOX 10

Rosehill Park, July 5.

The Bluejays almost squandered a 6 run lead in the final two innings but managed to hang on for a nail-biting 11-10 win, with Green Sox runners at second and third when the last out was made. Bluejays' 2b Phil Laing drove in two in the bottom of the first with a single to make amends for his error which had allowed the Sox to score in their first at bat. The Green Sox led again after two and a half, 4-3, but the 'Jays racked up 5 in their half, 3 of them after two were out. The inning went; Stevens, single, Wilesmyth, RBI triple, Sylvester, sac fly, (two outs), Darrin Ward, walk, McLeod, walk, McDermott, RBI single, Norman Laing, two RBI sngle. Wilesmyth relieved starter Kevin Sylvester for the Bluejays with on out in the seventh and two on, and struck out two batters to send the 'Jays into the ninth leading 11-6. But Wilesmyth gave up three walks and a two run single, and the Bluejays' third pitcher, Darrin Ward, gave up two more runs before a slow dribbler hit to Neil McLeod at first ended the game. 'Jays catcher John Stevens excelled with three singles and two runners thrown out at second.

GILLINGHAM DODGERS 4 COBHAM YANKEES 51

Watling St.Fields, July 5.

Cobham ran up its biggest score since entering the First Division five years ago in this emphatic victory over last place Gillingham. The Cobham attack was led by Derek Bufkin, who hit three homers, including a grand slam (have a Crackerjack pencil, Derek - Ed.). Kyle Koloja also slammed a couple of round-trippers, and Wes Jones hit one as the Yankees scored all their runs in the first six innings. Jez Santos started for Cobham, Jones relieved in the third, and Koloja pitched the final inning.

OXSHOTT ORIOLES 9 HOUNSLOW HOWLERS 19

American School, July 5.

The Howlers snapped Oxshott's seven game winning streak with this notable win over the then division-leading Orioles. Mark Winfield, the Howlers' starting pitcher, weathered a rough third inning in which he gave up 5 runs, to gain credit for the win. Oxshott fashioned a run in the second on Derek Matson's walk and Chad Davenport's double, but Hounslow came right back in the third to lead 2-1 with RBI singles by Earl Dix (good baseball name - Ed.) and Paul Bullock. Oxshott retaliated in turn with five runs in its half of the third on Ted Steen's single, Mick Saman's double, Bob Howell's infield single, Nobu Shimizu's double, Derek Matson's walk and Davenport's bases-loaded triple. Hounslow exploded for five runs in the sixth, to take the lead, and ten more in the seventh which put the game out of reach. Shimizu started for Oxshott and was relieved by Andy Rink in the seventh, but returned to the mound when Rink was unable to retire the side. Ted Steen pitched the eighth for the Orioles. The game was ended on the time limit.

SUTTON BRAVES 21 SKELMERSDALE GIANTS 4 (BBF CUP QUARTERFINAL)

Crawley, July 5.

The Braves proved to be unkind hosts to their opponents from the Northeast as they beat Skelmersdale to move into the semi-finals of the BBF Cup. The Braves had many hitting stars, but 21-year old Gavin Kyle had his best day as a Brave, going 4 for 5 with a triple and a homer. Unfortunately, Gavin seriously injured his left ankle while sliding and will be sorely missed. The Giants attack was led by pitcher Tune, who hit a huge home run. Winning pitcher was Andy Evans, who struck out six in three innings. Newcomer Dave Wooten struck out all three Giants he faced. After the game the Braves invited the Giants back to a club in Crawley for sandwiches and light refreshment (yeah, and the Babe drank Perrier! - Ed.). It was a good day altogether, both the game and new friends made.

GILLINGHAM DODGERS 3 BARNESTORMERS 10 Watling St.Fields, July 12

Barnes completed the double over Gillingham in a game marked by some gentlemanly disagreement over the exact location of the top of the strike zone, and sloppy defense by the Dodgers that contributed significantly to Barnes' big sixth inning. Jason Godfrey pitched six innings for Barnes, giving up 4 hits and 3 runs, walking 5 and striking out 3. Matt Abbott relieved and kept the Dodgers scoreless for three, conceding 2 hits and 3 walks. John Harrington threw a complete game for Gillingham, walking 5 and striking out 3. Harrington throws an 'eephus' pitch - a slow, letter-high lob which surprised hitters often take for a strike or pop up mightily - and obviously felt that he wasn't getting the calls to make the pitch effective, but on the whole the umpiring was good all day. The Dodgers took the lead in the 5th, but Barnes came right back with 6 runs in the top of the 6th, ss Ben Godfrey driving in two with a double to centre. 3 of the runs were unearned. Two more unearned runs in the seventh iced it for Barnes. Hitting honours went to Ben Godfrey (3 for 6, 2 doubles) and the Dodgers' Peter Jacob (3 for 4, 1 double).

CROYDON BLUEJAYS 7 SUTTON BRAVES 36 Rosehill Park, July 12.

The writing was on the wall when the Bluejays stood and applauded the Braves' pre-game infield drill, perhaps the slickest of the season. The Braves bats were also hot, especially those of Alan Bloomfield and Julian Dodwell, with four hits each, which included a grand slam for Bloomfield. In their 15 run fifth inning, the Braves batted around twice. Andy Evans got the win, supported by Dave Wooton. Kevin Sylvester started for Croydon, and was relieved by Darren Ward.

ASHFORD CONDORS 8 READING ROYALS 10 Feltham Garrison, July 12.

This game, important for both teams, turned out to be a sporting and closely fought battle right up to the last pitch. Both teams' starting pitchers went the distance with J.Wehry of the Royals fanning 10 and walking 6, while B.Mayfield of the Condors fanned 9 and walked 4. Highlights; A 2-run homer by Wehry in the first which cleared the left field 284ft away, bounced on the top of a stationary and occupied Police patrol car, and came back over the fence. The Police are treating the incident as a hit and run... Ashoestring catch of a short fly ball in the second by the Condors' M.Moses, and a fine covering catch of a line drive in the eighth by Royals shortstop P.Edwards. The loss will make it very hard for the Condors to catch the Royals.

Arrows' manager Phil Chesterton's pre-match instructions - 'Right guys, let's get out there and kick ass!' - were quickly heeded as the Abbey stormed off to a 21-ZIP lead by the middle of the third. Pitcher Shawn Kerrigan, making his debut for the A's, struck out 4 in his opening two innings. He was hit by a Hurricane storm in the third, though, that included a massive homer from Tomlinson. Simon Bowden relieved and fanned 11 of the 12 batters he faced over the remaining four innings to end the Hurricanes' threat. Hounslow's Bill Winning went six innings, and was relieved by McDonald in the seventh. Steve Hicks went 4 for 4 with 3 RBI's and a homer for the Arrows. Bowden, who is not diseased with speed, also homered, and ss Phil Jones was 6 for 6 (all singles) while right fielder John Best was 3 for 4.

PRESIDENT'S PIECE

Welcome to the second President's Piece. I am going to use this column to let you know what is going on, and to pass on decisions of the Executive. Remember, if it's here, it's official - we will not always send a separate letter to clubs.

NATIONAL CLUB FINAL - 20 SEPTEMBER

We are hoping to stage the National Club Final at the Oval. This is a large step from Sutton Utd FC, admittedly, but that was a giant leap from a windswept field near Warrington the year before! We are planning a large publicity campaign, in conjunction with the BBF's promotion agents, and hope for a crowd many times last year's 1000-odd. We are also hoping to stage a 'Home-Run Derby' featuring an all-time great ex-Major leaguer and long ball specialist, an Australian test cricketer who played baseball for his country, and a certain peripatetic English cricketer with an ego to match his frame and some very baseball-like recreational activities. Contracts have yet to be signed but, if it comes off, it will be the biggest baseball event in Britain since the New York Giants played the Chicago White Sox at Stamford Bridge in 1913 in front of George V. Put the date in your diary now and bring the family!

NEW PLAYERS

Baseball is beginning to attract serious media and public interest in this country, and more and more people are asking for information. It is a shame, then, that some of these keen newcomers are reporting back to us that they are getting short shrift from some of the teams they have contacted. We simply can't afford to turn people away at this stage - it really is important to get as many people involved in the game as possible. If your team really has so many players that you can see no benefit in having an extra one, then you should probably be thinking of starting another team. So remember our responsibility to promote the game, and at least invite new players to practice and explain that they may not play much at first. We must be seen to be as open and helpful as possible at a time when we are trying to gain national recognition and finance.

Finally, contact me about anything that is concerning you about the league. Phone me at home on 01-607 2211 - if I'm not in, leave a message and I'll get back to you.

Don Ferguson.

THE UMPIRE STRIKES BACK

This is the first in a series of 'Ask The Umpire' articles which will attempt to explain those parts of the rulebook which our transatlantic cousins never quite got around to translating into English. First; the mysteries of the 'INFIELD FLY' rule.

The major reference to the Infield Fly in the rulebook is found under Rule 2.00 - Definitions (Page 18, 1987 Rulebook). The INFIELD FLY rule is invoked when a batter pops a ball up over the infield with less than two out, and runners on first and second base, or with the bases loaded. The Umpire will invoke the rule when he or she considers that the ball can be caught by an infielder with 'ordinary effort'. The question of what is 'ordinary effort' is a judgement made by the umpire. The Umpire will shout, 'INFIELD FLY, batter is out', and if the ball is fair the batter is automatically out even if it is not caught. If the ball is foul, it is treated as any other foul ball. Baserunners are not forced to advance if the ball drops as they would be on an ordinary ground ball.

The object of the INFIELD FLY is to avoid a situation where the fielding team deliberately allows the ball to drop in order to get an easy double play. Two final comments; An INFIELD FLY is a 'fly' ball and line drives or bunted balls cannot be INFIELD FLYs. The ball is live and in play so baserunners can tag up and advance if they so wish after a catch has been made.

That about covers the INFIELD FLY rule; next time we'll have a look at what is a 'fair' ball and what is a 'foul' ball - and talking of fair and foul, think about this question for next time;

Score; 2-1. Inning; Bottom of the ninth. Home team at bat. The tying run is on second base, the winning run is at the plate, two men are out and the count is three balls and two strikes. The batter hits the ball deep towards the home run fence, but just in foul territory. A fielder attempts to catch the ball in foul territory, but only succeeds in tipping the ball over the fence in fair territory. Is it;

- A home run which wins the ballgame?
- A ground rule double which ties the ballgame?
- A foul ball? (Answer next time.)

Geoff Mann.

Everyone who starts playing baseball want to be a pitcher. But a pitcher's life isn't one of glamour and stardom, as Sutton Braves' pitcher Paul McGuinness got to find out last month.

" I'm Dr.K and I'm the best, when it comes to pitching, forget the rest,
When I'm on the mound, have no doubt, next words you'll hear- three strikes you're out.
I've got a slider, fastball, breaking ball, curve,
Step up to the plate if you've got the nerve. "

The words of Dwight Gooden from the Mets' rap of 1986. Seems easy doesn't it ? I wanted to be a pitcher from the moment I saw Bret Saberhagen wins Game Seven of the 1985 World Series, and on joining the Sutton Braves, I thought I would get a chance to realise my dream. I trained through the winter, and arrived at the first spring training session ready to do the business. Then I found out just so quickly why these guys get paid so much to play the game- it's difficult ! After a couple of dozen attempts, I manage to squeeze one across the plate, even if it did make Phil Niekro's knuckleball look positively blazing in comparison. Eventually the season itself dawned, and along with a dozen other rookies, I take my place of the Rose Hill diamond for a Braves 2nd team game. Forget team caps, I'm wearing my Kansas City cap and I'm Bret Saberhagen, king of the mound. "Batter up" is the call- there's no turning back now. Will I sink or swim ? One way to find out. .

I look in for the signal from my catcher- we've got a good system, one is a fast ball, two is a fastball and three is fastball as well. He calls for a fastball ; I wind up and hurl the ball in as hard as I can. The batter leaves it, the umpire ducks, and the backstop fencing just stops the ball flying into the carpark beyond. Ball One. "That's just to get him worried", I lie to myself, and deliver another fastball. This one's a bit closer to the strike zone, but the batter has no trouble in realising it's ball two. "Third time lucky", and another fastball blazes (plods) its way to the plate. "Ball three" cries the umpire, much to my disgust, and to make it look good, I argue the call. " If that was a ball, then I'm a Dutchman", I scream, doing my best to emulate Joaquin Andujar. " Then get back of the mound Hans, and stop shouting ", comes the reply from the blind toad behind the plate. He might be an umpire, but he probably doesn't know who his father is !

Finally a ball becomes a strike and the batter swings- the ball whizzes back by me at twice the speed it left my hand, and screams through the hole into the outfield. I try to look disgusted at the shortstop for not fielding the ball and throwing out the runner, but even Ozzie Smith wouldn't have stopped that one. Five minutes later, and the bases are loaded on two walks and the hit that led off the inning. Finally I discover a batter who is as bad with the bat as I am with the ball, and he hits the ball gently back to me. Forceout at home and I've retired a batter- miracles will never cease.

Six batters later, I'm out of the ballgame, nine runs eventually against my name and I've blown an 18-8 lead. Bottom of the ninth, I'm at the plate with the tying and winning runs aboard. I strike out, we lose 18-19 and I'm gutted. From now on I'll just watch the experts and pitch only in my dreams !

SCOTTISH AMICABLE

LIFE ASSURANCE • PENSIONS • ENDOWMENTS

The fact that Scottish Amicable sponsored American baseball on Channel 4 raised a few eyebrows.

So a word of explanation.

World championship players and our fund managers have much in common. Like consistent performance. High scoring. Better averages.

Although we're in a different ball game we get the same result.

Success.

Just look at our investment record.

NOW WE ARE SPONSORING THE NEW SCOTTISH AMICABLE NATIONAL BASEBALL LEAGUE.
