GOSSIP

The Pirates hold a two to one lead over West Ham as they have won two of the three local Derby's the two teams have played this year, and the battle to-day should be one of the best as the Hammers need to win to tie up the local series as well as to stay in the running for the league title. If West Ham win today and next Sunday over Romford they have a good chance to tie the Wasps for first place.

Jerry Strong has been pitching great ball for the past month, and with Happy Kasnoff back in shape after a two week rest the pitching should be of the best.

Next Saturday evening, August 21st, the Supporters' Club will hold a farewell dance in the Supporters' Social Hall. A good many of both West Ham and Pirates will be leaving England to return to their homes in the United States and Canada, after next Sunday's game.

The game between the Pioneers and the Ilford Cubs is for a Cup presented by "Muddy" Waters and will be competed for annually by the junior teams. The Pioneers have one of the best junior teams in the country and quite a few of them will be ready for faster ball next year. The Cubs also boast a strong line-up, and the game should be of the best. Terry Tapfield and Wills are two of the most promising pitchers in the section and both have plenty on the ball.

Next Sunday the Corinthians and Pirates will play their last game of the present season in West Ham Stadium. West Ham will travel to Romford to close their season with the Wasps.

LEAGUE TABLE TO AUGUST 14TH

Team	P	W	D	L	For	Against	Pts
Romford	13	13	0	5	123	124	26
