## GOSSIP

To-day's game rings down the curtain on London Major League Baseball at West Ham Stadium for this season. The season has been full of ups and downs, but on the whole it has been fairly successful for players and fans. This evening at Romford Stadium the West Ham team close their season by playing the Romford Wasps.

Many of the players are leaving for their homes in Canada and the United States next week. Ten boys are sailing next Wednesday on the Aquitania. These include Jerry Strong, Roland Gladu, George Ettheze and "Happy" Kasnoff, who are returning to Canada, and "Slim" Tyson to Elm City, North Carolina. Eddie Mumma to Shartsburg Maryland. "Tallie" Ellis and Doyle McNeece to Florida, Lefty Wilson to North Carolina, and Wally Stevens to New York.

Sam Hanna is going to Ireland and then to his home in New York.

They wish to take this opportunity to thank the West Ham Supporters Club for the many favours that have been done for them, and hope that they will be able to be back again next year.
