

Elector

Mark Tobin

Mark runs the British Baseball Data website – <http://www.britishbaseballdata.co.uk> – which is the foremost resource on the internet for historical standings, play-off results, and team rosters in top-tier domestic baseball. He has drawn on multiple

sources to pull together an invaluable and growing archive. Mark has closely followed the British game since 1985, having played for the Golders Green Sox for several seasons before becoming a “full-time spectator”.
