INTRODUCTION

Welcome to the British Baseball Federation (South) (no longer SEBA) 1987 Yearbook. Whether you are a player or team official, or are investigating British baseball for the first time, you will find here most of the information you will need for the forthcoming season. If you have any further queries, do not hesitate to contact myself, any of the Executive members (see page 3) or the team nearest your home.

Following the Channel 4 coverage of the US World Series last year we have gained eleven new teams, an increase of 50%. Clearly this is just the beginning of an unprecedented growth in interest in baseball and we will be working during 1987 to establish a full support network for both new and existing teams. We will also be developing a long-term plan for the South, creating a structure flexible enough to cope with any expansion. One of the prime objects at the moment is to attract a sponsor for the league, the benefit of which will be felt by all teams, both financially and in other respects.

You may have heard of Scottish Amicable's sponsorship of the BBF and the new National League for a three year period. This arrangement will be of benefit to all, directly and indirectly. There will be a higher standard of baseball and better organisation at the national level; and the interest generated across the country will pay dividends in terms of team sponsorships.

Once again the South will be organising the Scottish Amicable National Club Championship final, hopefully this year at a major sporting venue in London. As you will see, no games have been scheduled for 20th September, leaving all players free to attend the highest quality club event in the country.

For the first time the BBFS will be publishing a fortnightly magazine throughout the season, covering the results and standings of our games and many other aspects of baseball in Britain. The magazine will be issued free to every player and will be on sale to the public. If you are interested in writing an article or advertising in the magazine, please contact the Editor, Muir Mackean (see page 3).

Finally, we are greatly indebted to Slick Willies American Store for sponsoring this Yearbook. Without their help we could not have produced anything like as good a product. Slick Willies have cut their prices significantly over the past few months and are offering a further large discount to BBF members. Please support them - they are supporting us.

Enjoy the season.

Each team plays every other in its division twice - home and away - a regular season of 14 games.

Final standings are decided on percentage of games won at the end of the season. In the event of a tie for a significant placing a playoff game will be held.

The top three teams in the 1st Division will go forward to the BBF National Club Championship playoffs.

The last team in the 1st Division will be relegated for the 1988 season and the winner of the 2nd Division will be promoted.

The winners of the two 3rd Divisions will be promoted and the bottom two teams in the 2nd Division will be relegated. This may necessitate a reorganisation of the 3rd Divisions for 1988.
