NOTES ON THE MATCH

The Southern Baseball Association has great pleasure in welcoming the representatives of the Western Counties this afternoon, and looks forward to another interesting encounter with their old rivals.

The Coronation Pennant was instituted in Coronation Year (1953) and was made and presented for annual competition by the late Chairman of the South-Eastern Counties Baseball Association -- Mr. L. J. Kosta.

Although the Southeastern Association was later renamed Southern Association, the series is continuing.

Previous results show that each Association has won two of the previous contests:

1953	At Briggs Gd., Dagenham	Southern 4	Western 3
1954	At Mitcham Stadium ...	Western 4	Southern 0
1955	At Briggs Ground, D'ham	Southern 20	Western 4
1956	At Sutton	Western 23	Southern 22

The Pennant will be presented to today's winners by Mr. F. Hoar, Chairman of the Baseball Section of Briggs Sports Club.

We also take this opportunity of thanking the Briggs Sports Club for their splendid assistance in providing the ground and facilities for the match to be played, and thank all concerned for their part in this.

Today's teams are of a contrasting nature; the Western team consists largely of players from the undefeated Richmond Cardinals team, whereas the Southern line-up contains no more than three players from any one club. Incidentally, among the Southern team are seven Americans, five Englishmen, two South Africans and one Canadian -- certainly an "international" aspect.

Tomorrow's games in the Southern Association

- League Brigands v Esso Tigers (at Dagenham)
- Essex Nationals v Fords (at Barking)
- Epsom Lions v Sutton Beavers (at Epsom)
- U.S. Navy v Hornsey Aths. (at Leatherhead)
- Kodak v Leatherhead (at Harrow)
- Int. Cup .. Thames Board Mills v Queens Park (Purfleet)
